Chapel (K-5)

Today in chapel, Mr. Bradley's message was based on Philippians 1:8-12 which says, "For God is my witness, how I yearn for you all with the affection of Christ Jesus. And it is my prayer that your love may abound more and more, with knowledge and all discernment, so that you may approve what is excellent, and so be pure and blameless for the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ, to the glory and praise of God." He shared with the students that Paul was just an ordinary person like us who wanted to love others with the love of Jesus that is possible with the Spirit. We, like Paul, should also have that love. Also, it should be a love that continually grows more and more all the time.

JH/HS Chapel (6-12)

Mr. Del Padre continued the "Trusting God" series today in chapel with part two's theme, "Do." He spoke of the way babies are taught new things and of how wonderful it can be when we do something exciting like jumping in a pool. We are all called to do something for God like preach, pray, sing, or obey. We must first trust then do what God has called us to do. He encouraged the students to be a cannon ball in the calm areas of life and make ripples for God.
