### 18. STATEMENT OF COOPERATION

In signing this application, I/we acknowledge our commitment to the following:

- We are willing to have our child taught in this school in accordance with its philosophy and objectives.
- We are in agreement with Hope Christian Academy's Statement of Faith.
- We hereby agree to accept the rules and regulations of the school, and authorize the staff to administer such disciplinary measures as may be deemed necessary and proper by the administration, in accordance with the school's Discipline Policy.
- We understand that the school is to make no refunds of registration fees and that tuition payments must be maintained on schedule. We understand that Hope Christian Academy reserves the right to expel our child if he or she fails to comply with established regulations and discipline, or if our financial obligations remain unpaid after the due date. (If this occurs, or he or she is withdrawn, the current month's charges are due and payable, and will not be refunded.)
- We understand that tuition and fees cover only a portion of the operating expenses, therefore we realize our participation in fund raising events is essential.
- We are willing to attend Parent Teacher Fellowship meetings as scheduled.
- Our child may participate in all school activities including field trips away from the school premises.
- We understand Hope Christian Academy does not tolerate profanity, obscenity in word or action, use of drugs, tobacco, or alcohol.
- We agree that students are expected to conduct themselves in a respectful manner at all times.
- We agree that the school has permission to investigate the background of our child(ren) to determine his or her fitness for entrance to Hope Christian Academy.
- If I, or any member of my immediate family, reach a point of disagreement on an issue of noncriminal nature with Hope Christian Academy and/or its legal corporate entity, in keeping with I Corinthians 6:1, I agree to submit to a board of conciliation, the members of which will be mutually selected by myself and officials of the school, rather than taking the dispute to a civil court. I agree the procedure to be followed, including costs involved, will be that which has been established by the Christian Legal Society.
- We understand that an asbestos management plan is on file in the school office and that it may be inspected during school hours.

**All applications must be reviewed and approved by the school administrator prior to enrollment.**
