

Hope Christian Academy

Washington D.C. Tour 2016

The junior high and high school students from HCA will be traveling to the nation's capitol to see firsthand the way our government works. They will experience a Christian worldview of the history and founding of this great nation from an accomplished American Christian Tours' tour guide. They will be challenged to think deeply and respond with their lives as world changers in their generation. Additionally, they will be representing Dickinson and ND when three of the students are part of an official wreath laying ceremony at the Tomb of the Unknown Soldier in Arlington National Cemetery. The tour will take place April 14-17, 2016. Please consider supporting the following fundraisers as the students are working hard to earn a large portion of their travel costs themselves.
