

# The Royals Hope Weekly

Nov. 6, 2017

## Elementary Chapel (K-5)

Today in chapel, Mr. Bradley talked to the students about key concepts found in Philippians 1:27. The verse states, "Only let your manner of life be worthy of the gospel of Christ, so that whether I come and see you or am absent, I may hear of you that you are standing firm in one spirit, with one mind striving side by side for the faith of the gospel." We need to help each other walk and grow in a manner worthy of the gospel. We need to have and be known by our Integrity.

## Junior High & High School Chapel (6-12)

Today in high school chapel, Pastor Tim completed his two-part series on being a leader and not a follower. He listed several qualities of a good leader:

- ❖ Honesty and integrity
- ❖ Respect (must earn this, not command it)
- ❖ Must have people skills (must be willing to listen to people and be fair-minded)
- ❖ Humility (knowing Whom you are dependent upon)
- ❖ Be an encourager (everyone can use encouragement)
- ❖ Able to confront (Proverbs 15:1, Matthew 7:1-5)
- ❖ Willing to make tough decisions
- ❖ Not afraid to fail or to be teachable
- ❖ Set the example of servanthood
- ❖ Be a disciple maker (builds into people)
- ❖ Is a person of conviction
- ❖ Be an individual of prayer

## Playground Project Fundraising

We have been fundraising for a new play station for the playground on the north side of our building. The projected cost for the equipment we would like to purchase is \$40,000. At this point, almost \$19,000 has been raised for this project. The school and church boards would like to make a decision this coming Monday as to which equipment package we are able to purchase with the funds that have been raised. We will build only what funding allows. This is a great time of year to give that end-of-year donation for yourself or a company you may know that is looking to give a year-end charitable donation. Please see the attachment for the opportunity to give toward this project. All donations are tax deductible.

## God's Mighty Handful Puppet Team

The God's Mighty Handful puppet team will be performing at 2 p.m. on Friday, November 10 in the HCA chapel. Some of our very own HCA students are members of the puppet team. This is a great ministry to our community and teaches valuable lessons about working together for one common goal. Parents are welcome to watch the puppet team show on Friday. The puppet team is always looking for new members. If you have a student who is interested in being on the puppet team, please contact Vicki Johnson at 701.590.0207.

### **Nutrition Nibble** by Jo Marie Kadrmias, RD

Eating meals as a family has so many life-long benefits. The most important being the love and connection felt among family members. One other teaching opportunity, however, at family meals is to educate children on table manners.

Parents can use family mealtimes to encourage courtesy (please pass \_\_\_\_\_, encourage chewing food with a closed mouth, refrain from chewing food, and talking at the same time, place a napkin in the lap, and other etiquette that is valued in society).

Enjoy family meals at breakfast, lunch or dinner. Eating breakfast together as a family is a great way to start the day, and is an opportune time to eat a meal together especially if your family has evening activities that make eating dinner together difficult. For more info on family meals, go to [ndsu.ag/familytable](http://ndsu.ag/familytable). Below is a hot, quick breakfast that older children can make for themselves and the family.
