## Chapel (K-6)

Today during chapel, Mr. Bradley talked about two ways God speaks to us. He communicates His glory everyday through the heavens and His creation. He also communicates to us through His Word. His Word says the heavens pour out speech about Him. May we grow in faith as He communicates to us and as we respond to Him.

The following scripture shows how God speaks to us:

*Psalm 19*

*"The heavens declare the glory of God,  
and the sky above proclaims His handiwork.  
Day to day pours out speech,  
and night to night reveals knowledge.*

*The law of the Lord is perfect  
reviving the soul;  
the testimony of the Lord is sure,  
making wise the simple;"*

## JH/HS Chapel (7-11)

Today in chapel, a group of high school students spoke to the rest of the students about how our outward appearance has nothing to do with our salvation. Just because a person does the required "church activities" does not mean they are saved. It requires a heart change.

Once we become Christians, we should want to serve God and follow His will for our lives. We need to look different than the world, not physically, but internally which will produce a different outward appearance.

The students then broke into small groups to discuss the chapel message and to answer questions pertaining to the lesson.
