

ROYALS HOPE WEEKLY

-APRIL 15, 2024-

Elementary Chapel (K-6)

Today Mrs. Scammon shared the third lesson in the Sunday School Charlie series entitled, "The Haunted House." We talked about how Charlie earned the favor of some older men who were his co-workers. Ask your students how he earned their favor. Charlie had a great opportunity to earn extra money that would be enough to take his friend Red to Bible camp, but he turned down the opportunity. Ask your students why Charlie turned it down. We focused on the fact that sometimes circumstances don't make sense in life, but we need to continue to trust God (Romans 8:28) and not give up serving Him. We need to always do the right thing (Galatians 6:9).

Secondary Chapel (7-12)

Mr. Eliason spoke to the secondary students about the story of Naaman from 2 Kings 5:1-14. In this world, there are those who are like Naaman who are hurting and need help.

There are also those, like the servant girl, who are able to help those who are hurting in this world. Additionally, there were servants who helped encourage. We can all identify with at least one of these groups at one time or another. We should be encouraged to know how to deal with hard situations.
